Drop-off & Parking Guide for Parents and Visitors

We share our street with local businesses and neighbors. Keeping driveways and the road clear is a condition of our City permit, and it keeps everyone safe. Thank you for your help!

1 Drop off in the 3-minute zone

For quick drop-offs, use the designated space if it's free.

2 Keep the road, driveways, and hydrants clear

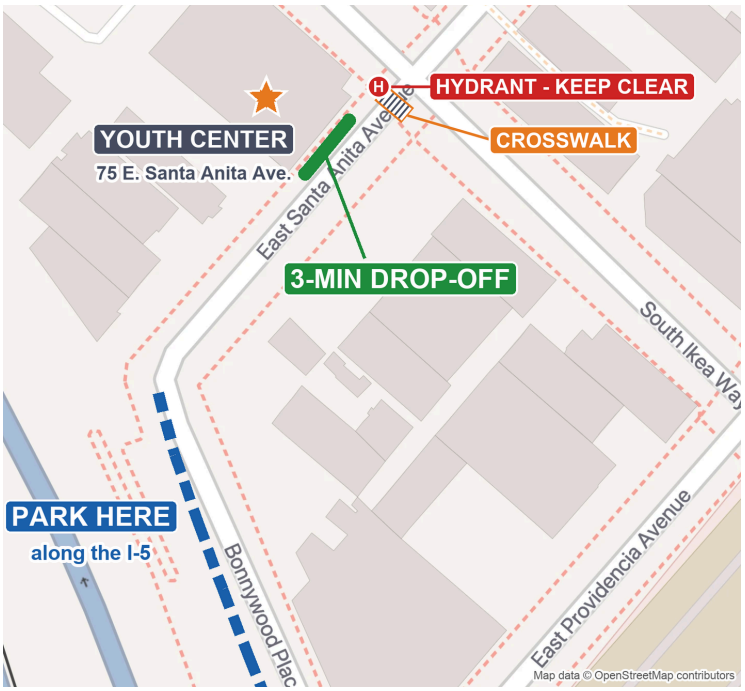

Please don't double-park, wait in the traffic lane, or block a neighbor's driveway, even for a minute.

3 Staying longer? Park by the I-5

Drive a bit farther down Santa Anita onto Bonnywood Pl. and park beside the freeway.

4 Walk in the crosswalk

Cross Santa Anita at the crosswalk by Ikea Way, and hold young children's hands. Please don't cross mid-block.
